PROFESSIONAL SUMMARY

A fresh graduate of the Bachelor of Science in Information Technology program from University of Science and Technology of Southern Philippines (USTP-CDO), with experience in programming, UI/UX design, database management, and web project management gained through academic projects and internship experience. Possesses a strong foundation in software development and information systems, with a commitment to continuously enhancing technical skills and creating innovative, user-centered solutions that address real-world needs.

EDUCATION BACKGROUND

UNIVERSITY OF SCIENCE AND TECHNOLOGY OF SOUTHERN PHILIPPINES - USTP CDO
Bachelor of Science in Information Technology
2022 - 2026

LOURDES COLLEGE
Science, Technology, Engineering and Mathematics
2020 - 2022

INTERNSHIP EXPERIENCE

SYNTACTICS INC. - WEB PROJECT MANAGER INTERN **Feb 2026 - May 2026**

- Coordinated web development projects with clients, developers, and designers.
- Gathered and documented project requirements and client feedback.
- Tracked project tasks, deadlines, and deliverables using Bitrix24.
- Prepared meeting minutes, status updates, and project documentation.
- Conducted QA testing and coordinated issue resolution with developers.
- Assisted with UI/UX planning, wireframes, and website layouts.
- Followed up with team members to ensure timely project completion.

ACADEMIC PROJECTS

CAPSTONE PROJECT FOR AVERA TECHNIQUES & SOLUTIONS INC.

- Developed a web-based project monitoring and management system for the construction industry.
- Implemented document management, project monitoring, budget tracking, and reporting features.
- Used Django and PostgreSQL for backend development and database management.
- Designed the system to centralize project information and improve project oversight.

CAFE ORDERING AND MANAGEMENT SYSTEM

- React Native, Expo, Node.js, Express, MongoDB
- Developed a full-stack mobile and web-based café management system.
- Implemented product management, cashier authentication, and order processing.
- Integrated image uploads using Multer and Expo ImagePicker.
- Used MongoDB for data storage and Node.js/Express for backend services.

SCHOOL PORTAL SYSTEM

- SQL
- Developed a school portal for managing student records, courses, and grades.
- Created SQL queries for efficient database management and data retrieval.

CERTIFICATIONS AND TRAININGS

- Certificate of Completion - “Fundamentals of Graphic Design (Color, Typography, Layout)” Capacity Building Intervention Program, May 12, 2026
- Certificate of Completion - “SAKTONG COMMUNICATOR” Learning to Earning Pathways Program, May 25, 2026
- Certificate of Completion - “SAKTONG PROFESSIONAL” Learning to Earning Pathways Program, May 30, 2026
- Certificate of Completion – “Jobstart Soft/Core Skills Training” Jobstart Philippines Cagayan de Oro Wave 11, June 05, 2026

TECHNICAL SKILLS

- Programming Languages: Python, Java, JavaScript, PHP
- Web Development: HTML, CSS, React, Django, Node.js, Express
- Mobile Development: React Native, Expo
- Databases: PostgreSQL, MySQL, MongoDB, SQL
- Project Management: Project Coordination, Requirements Gathering, Task Tracking, Project Documentation, Meeting Minutes, Status Reporting, Quality Assurance Testing
- UI/UX & Design: Figma, Canva, Wireframing, UI/UX Design
- Tools & Platforms: Bitrix24, Git, GitHub, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Google Workspace
- Professional Skills: Team Collaboration, Communication, Problem Solving, Time Management, Adaptability, Reliability, Strong Work Ethic
